

WHAT IS WORTH LIVING FOR ?

The **BASIC INCOME DANCE** can be performed by everyone who wishes to dedicate some gestures, reflections and discussions to a resource-oriented, sustainable redistribution of income and wealth.

In solidarity with all who actively engage in the fight for social equity and justice, the basic income dance focuses on socio-political changes that could be activated through unconditional basic income for everyone.

For diversity and freedom in choosing our way of living! Let's dance!

Concept: Sabina Holzer, Mariella Greil

Map / Score: Nikolaus Gansterer

Info: <http://grundeinkommenstanz.wordpress.com>

A coproduction of cattravelsnotalone and imagetanz / brut Wien.

With the kind support of the Cultural Department of the City of Vienna.
